2.

6. "The whole harbor is in bad condition; it is muddy, and its depth is six to seven meters.
7. "At the entrance to the port stands a Soldier's Monument (1); beside it is the Harbor Master's Office, the Pilot's office and lifeboats (2). Between the two basins stands a corn elevator (6); a little more to the south are underground cisterns for fuel and lubricants-MPS (5). In that place Soviet trawlers often stop.
8. "On the western side of the canal, there are Naval Barracks (3). They stand in a wired-off area. It is at the same time the Naval Base in Kolobrzeg. The entrance to the enclosure is through a guarded gate (4).
9. "West of the base, there stretches another wired-off wooden terrain area where there are some buildings,  Still farther west, in another wire enclosure, are the posts of the coastal artillery, (9).
10. "In the area marked (10) there is the Soviet officers' mess and residential villas for Soviet personnel.
11. "The beach is very neglected and dirty."
